## HOW MRS. BEAN MET THE CRISIS

Carried Safely Through Change of Life by Lydia E. Pinkham's Vegetable Compound.

Nashville, Tenn.—"When I was going through the Change of Life I had a tu-

doctor said it was three years coming and gave me medicine for it until I was called away from the city for some time. Of course I could not go to him then, so my sister-in-law told ne that she thought

Lydia E. Pinkham's Vegetable Compound would cure it. It helped both the Change of Life and the tumor and when I got home I did not need the doctor. I took the Pinkham remedies until the tumor was gone, the doctor said, and I have not felt it since. I tell every one how I was cured. If this letter will help others you are welcome to use it." Officers of State Association Making -Mrs. E. H. BEAN, 525 Joseph Avenue, Nashville, Tenn.

Lydia E. Pinkham's Vegetable Compound, a pure remedy containing the extractive properties of good old fashioned roots and herbs, meets the needs of woman's system at this critical period of her life. Try it.

### RAILROAD LEGISLATION ASKED BY THE PRESIDENT

Miller of fr you by

President Wilson, in his address to congress on the railroad situation, asked legislation to the following effect:

1-Enlargement and reorganization of Interstate Commerce Commission. 2-Establishment of eight-hour day as legal basis for work and wages in railroad operating opartments.

3-Appointment of a mall board to study effect of eight-hour day on men and railroads and report to congress.

4-Approval of consideration by Interstate Commerce Commission of increase in freight rates. 5-Prohibition of trikes or lockouts until after a full public investiga-

tion of the merits of the dispute. 6-Empowering President to take control of and operate portions of railroads of country for military use, when necessary, and to draft train crews and operating officials into the United States service.
